

## COVID-19 HOSTEL POLICY

The COVID-19 virus demands greater alertness and discipline from us, so we ask you to meet the following rules:

1. Inside the building, the stairway and the elevator **using a mask is MANDATORY**.
2. Please use the provided hand sanitizers.
3. Body temperature checks can be done randomly!
4. **Maximum TWO people** can use the elevator at the same time!
5. **Maximum FOUR people** can be inside the kitchen and on the terrace at the same time!
6. Please take care of your personal hygiene very carefully.
7. If possible keep **the 1.5 meter distance** from other people.
8. **Accepting guests or visitors and making events** (even in smaller groups!) are **BANNED in the Hostel!**
9. **If you notice any unusual symptoms** such as coughing, harder breathing, fever, shivering, muscle pain, sore throat, loss of smell and taste, nausea, vomiting and/or diarrhea **contact the reception immediately!**
10. Please **travel as few as possible!**

**You can find the hand sanitizers next to the elevator in every building.**

These rules are for the protection of everybody. Thank you for your patience and cooperation. We ask our students to follow and make sure others follow everything that's for the protection of themselves and everybody else.

Start your studies and university life responsibly!
